

## *Do you want...*

- ...to make **loads of new friends**, both at Birmingham University and across the UK?
- ...to meet, listen to and question the **decision-makers who shape our world**?
- ...**opportunities to network** with politicians, think-tankers, and journalists?
- ...to help ensure a healthy economy with a **strong job market** for you to enter after graduation?
- ... to **stop Ed Miliband** getting into Downing St?

**Conservative Future** is the largest political youth organisation in the UK, with **over 15,000 members** nationwide. Many of those members are students or graduates of Birmingham University.

We want the best possible future both for our area and for Britain as a whole. We also run a busy and varied social calendar.

**Birmingham University**  
**Conservative Future**

## What's in it for me?

- BUCF holds a range of **regular social events**, which are a great opportunity to socialise and engage in friendly, spirited debate with like-minded people!
- We frequently **host top politicians** who share their ideas and experiences from the corridors of power — they return the favour by hosting us in Parliament and Brussels!
- We campaign for Tory candidates both here and all over the country with **Team2015** and **RoadTrip2015**!

### *It's your vote—don't lose it!*

There's a big election next year—make sure you don't miss your first chance to vote. Ask us for help or register yourself at [www.gov.uk/register tovote](http://www.gov.uk/register tovote) — it only takes a few minutes!
